

[Abstract]

APPRENTICESHIP in STRUCTURAL ENGINEERING

We are currently seeking an Apprentice to join our busy structural engineering department. The position would suit someone who has recently finished their A-levels or equivalent in higher education with strong skills in maths and science subjects.

Knowledge of AutoCAD would be an advantage but is not essential.

Full training will be provided both in house and by enrolment at Anglian Ruskin University to complete a Bsc (Hons) Civil Engineering Degree.

Good knowledge of all Microsoft programs such as Excel, Word, and Outlook required.

Job Description

Production of AutoCAD drawings under the supervision of Engineers and Senior Technicians

Assisting Engineers with site visits

Learn to create civil engineering designs in 3D models

Design of foundation and structural elements

Benefits Include

Competitive Salary

Pension

Private Healthcare

Life Insurance

25 days annual leave plus Bank Holidays

How to Apply

Please send your covering letter and CV to ipswich@chick.co.uk.

The deadline for applications is Wednesday 3rd July 2024
