## GRADUATE STRUCTURAL ENGINEER (Full Time – 37 Hours / week)

We are currently seeking an enthusiastic Graduate Engineer, with relevant structural experience to join our leading multi-disciplinary consultancy practice.

Working predominantly from our Essex office, the successful applicant will have the opportunity to work on a wide variety of projects of varying scale and in a variety of sectors. This will involve working closely with Senior Engineers and CAD Technicians to deliver projects.

The varied nature of the works provides excellent opportunities for the candidate to work towards incorporated or chartered membership of the ICE or IStructE and they will receive mentoring and support from the Senior Engineers and Directors to facilitate their progression.

The role will include undertaking structural inspections, preparation of calculations and details, design of structural elements, attendance at project meetings and report writing.

### The successful candidate must have:

- BEng/ MEng Civil/ Structural Engineering Qualification
- Minimum 1-2 years industry specific work experience
- Design experience using Eurocodes and British Standards
- Ability to work as part of a team to deliver multiple projects
- Experience in working to deadlines and within budgets on large scale projects
- Demonstrate excellent written and verbal communication skills with colleagues, clients and other design team members
- Be responsible for directing CAD Technicians to produce the appropriate level of design information required
- AutoCAD experience

### The successful candidate may also have:

- Experience in the structural design of reinforced concrete, steelwork, timber, and masonry
- Be working towards achieving Chartered Engineer status
- A full UK driving licence and access to their own transport

### Benefits:

Competitive Salary  
Private Healthcare  
A contributory 4% Pension Scheme  
25 Days Annual Leave + Bank Holidays  
Regular company organised CPD events and training  
Free on-site parking  
In-house mentoring for chartered membership of ICE or IStructE

### How to Apply:

Please send your covering letter and CV to ipswich@chick.co.uk.
